1000!

Can you imagine how excited I became when I discovered this month we have passed our 1000th Bible study request – and still counting, fast? This has happened in such a short time. Our God-given vision of a television ministry is taking off. The power of God's Spirit is moving people and specifically arranging events in their lives so that they watch the very programs God has planned for them – and respond, eagerly. There are some truly fascinating, unfolding stories that I can hardly wait to share with you very soon.

Far from being some musty old, irrelevant tome, the Bible is so much more pertinent now than it ever was. It is "military intelligence" of the highest category.

And when people start studying it to learn what is really going on and how they fit into this incredible Big Picture, the Spirit does astounding things in their lives.

Our new IIWO Bible Study Guides are flying out the door and connecting with people with whom God has made an appointment from all eternity. This is so exciting! Can you sense it?

Already more than a thousand people are wanting to distinguish between truth and popular legend. They are being guided through the Bible to discover the comprehensive Story – all of it. We are on fire here at It Is Written Oceania, and the flames are leaping hot and high!

in Africa know only too well how very real it is. But we saw many prisoners of darkness set free by the superior power of Jesus. They were transformed into radiant Christians. Hope replaced despair. You should have seen their faces!

Well over eight thousand people were baptised. Five new Churches have been established. And a new Conference Office is being built. God has opened doors of opportunity in Africa for a short time. The harvest is ripe. Now it's time to reap.

Thank you for your generous support that has enabled thousands of people in Africa to find new life.

On the shores of Lake Victoria lies Kisumu, the third largest city in Kenya, Africa. We went there recently to declare the glad tidings. Huge crowds came to the programs, listening with avid attention. Literally thousands responded and came forward to indicate their eagerness to accept the invitation to life eternal.

Those who live with black magic, evil spirits and demon possession

TVNZ

It Is Written Oceania continues to grow in the land of the long white cloud. Several months ago IIWO was broadcast across New Zealand on TV2 for the first time in nearly a quarter of a century. TV2 is one of the top-rating, national television channels in New Zealand.

The program has been well received and with the assistance of Sanitarium has now become established as a regular weekly telecast with the recent signing of a full,

one-year contract with TV2 New Zealand. We have always believed that the opportunity to launch IIWO in New Zealand was a direct answer to prayer. Many said, "It's impossible!" But we know from our experience that nothing is impossible for God. We praise God for "doing the impossible" again.

With God's continued blessing we aim to reach every home in Australia, New Zealand, and the Pacific Islands with the Everlasting Gospel and God's special, end-time message. We believe that time is running out and it's urgent that the Gospel be preached to those who do not know Jesus. Television has the potential to reach millions of people in their homes right across Oceania.

Sydney

The Pope's recent visit to Sydney for World Youth Day attracted almost a quarter of a million pilgrims from 170 nations. Half a million people welcomed the Pope to Australia and one billion others watched via television and the internet.

We felt impressed that there should be a powerful, youth-oriented response, right in the heart of Sydney. The students from our new evangelism college (IIWEC Oceania) accepted the challenge and rose to the

occasion like Daniel and Esther. They put their recently-acquired skills and training into practice and led out in planning and organising a major campaign in the same city where the pilgrims had been.

David Asscherick, one of our most dynamic young evangelists from the US, was the keynote speaker. The series was entitled,

"Who will make it Right?" The advertising featured a montage depicting the Pope, the Dalai Lama, Barack Obama, and Al Gore. For the entire month of August and the first week in September the great truths and stirring prophecies of the Bible were cogently presented in the Greater Union Cinema complex on George Street, which is in the heart of Sydney. Attendance was outstanding. Hearts have been profoundly moved and fifty people are eagerly preparing for baptism. Already thirteen of them have been baptised and begun their new lives.

Studio

God has provided a truly wonderful opportunity to share the love of Jesus and His last-day message via television with every home in Australia and New Zealand. Now our challenge is to produce excellent programs that are designed specifically for our part of the world.

God has provided a TV studio to make this possible. It's finished and ready for action. But now we must fit-out and equip the

studio. That means acquiring studio sets, production cameras and lighting. For that we require a further \$120,000. Would you like to join us in making this a reality? We believe God is doing some unusually great things and He will supply all our needs so we'll be able to equip this new studio and the Gospel will triumph.

As you know, It Is Written Oceania is an approved, self-supporting ministry of the Seventh-day Adventist church. We are a faith-based ministry. We are dependent upon your prayers and financial support. Without you this vital End Time work cannot be done. This ministry will continue with God's blessing and your support.

I want to personally thank you for your generous response to a very great need.

Yours in God's service,

Gary W Kent
